

2023 RSC Open House: Want to Participate?

This year the RSC open house will take place Tuesday October 10th (Angstrom day?). We are planning a variety of in person tours and tool demonstrations, as well as online activities in Gathertown. We are asking for volunteers and participants for the event. If you'd like to volunteer in the K-12 events, like Stump a Scientist or the Tescan SEM demonstrations please reach out to us. Volunteers should be available to sit in and assist for an hour or more between 9am and 3pm.

We are also seeking images for the annual image contest. We have an image submission form [HERE](#). We encourage CT users, SEM and TEM users and anyone else with a cool image from their work to submit images as they will be on display in Gathertown the day of the event.

Upcoming RSC Events:

- Game Night - NRF 115 - Thursday September 21st at 5pm [RSVP](#)
