Congrats to Our January User of the Month

Yonguk Lee

Thank you, Yonguk, for being a consistently attentive, safe, and responsible facility user in addition to excellently following e-buddy protocol after hours.

Have you seen a user going above and beyond to keep other users and the facility safe? Has someone gone out of their way to assist you while working in the facility, we'd love to know. Send us an email to nominate someone we should consider for user of the month.

Do you or someone you know need to take the HF training finish off requirements for working in our cleanroom?

We know these can be a bit difficult to find, so we wanted to share, EHS is offering a HF Training session on Thursday, February 15 at 10 AM at the EHS Administrative Offices if you know anyone that needs to take the training. The registration link for the class can be found HERE in myTraining.

Walking alone at night? Ask a friend to start a friend walk session with you on the gator safe app. You can also request a lift if you are on campus.

Need some mental health assistance? Contacts are 2 taps away in the app.

Your copy should address 3 key questions: Who am I writing for (audience)? Why should they care (benefit)? What do I want them to do (call-to-action)?

Create a great offer by adding words like "free," "personalized," "complimentary," or "customized." A
sense of urgency often helps readers take action, so consider inserting phrases like "for a limited time only" or "only 7 remaining!"
