### RSC User of the Month!

**Chappel Sharrock , April 2021**

In appreciation of being an exemplary user with outstanding compliance to safety protocols and engagement with RSC staff and users to create a better safety culture.

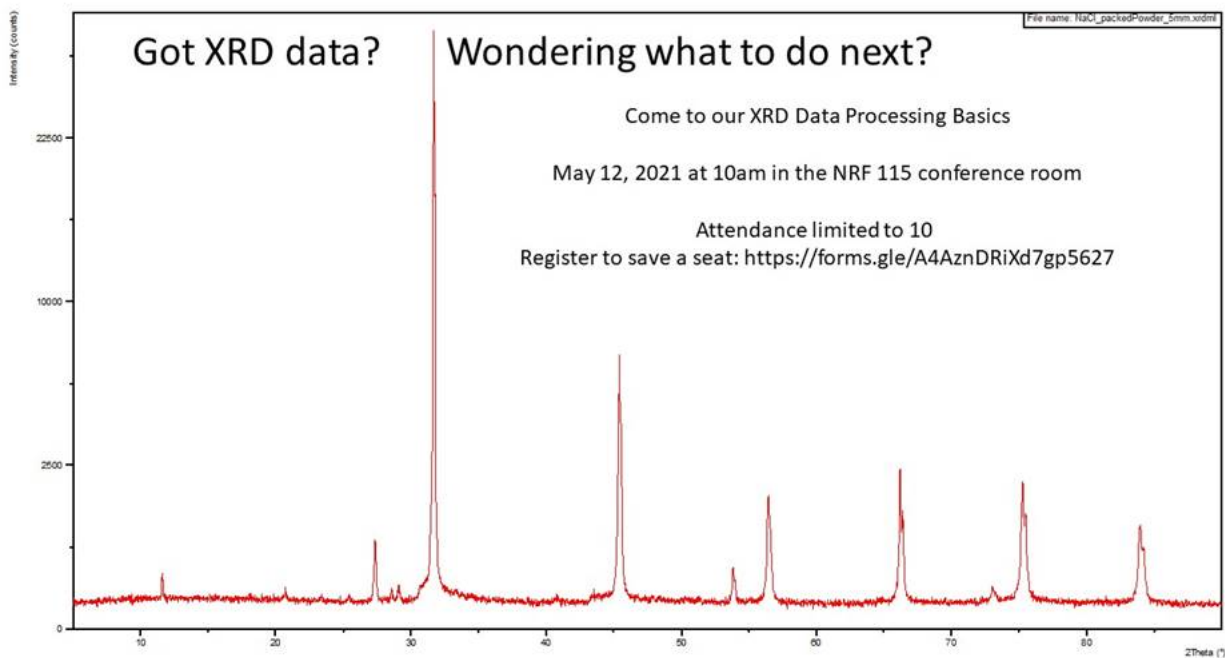

# Introduction to XRD Data Processing meeting:

When: Wednesday May 12, 10 a.m.

Where: NRF 1st Floor Conference Room - 115

What: Kristy Schepker will demonstrate how to use the ICDD PDF4+ Database, and some basic HighScore+ and GSAS-II data processing techniques. After some basics she will open the discussion for questions, so if you have a specific processing question bring it with you and we can take a look! Save your seat (or request video recap): <https://forms.gle/A4AznDRiXd7gp5627>

Due to social distancing measures we are limiting attendance to 10 students to meet in person. This will allow everyone to maintain sufficient distance during the meeting.
