RSC Lab Awareness:

After-Hours Access & Safety

True or false:

- The RSC will be open to all users on Monday, September 5th.
- Users are welcome to stay past 8:00 p.m.
- Dogs are better than cats.*
- You don't need to wear PPE when working with liquid nitrogen.
- You don't need to ever review the SOP if you are familiar with the equipment.

*C'mon! They're both cute!

Did you know...?

- You can join the [RSC Users' Teams](#) by clicking on the Microsoft Teams icon at the top of the Weekly Update and the RSC homepage
- RSC has a [YouTube](#) channel
- You can [submit](#) an anonymous tip/note to RSC Staff

Just for fun:

Word Scramble

Solve each week and look out for the final puzzle at the end of the month. The monthly puzzle will use the highlighted letters from each week.

The only optic on our XRD systems that can filter out Copper Kalpha 2 peaks is the
